

35' Kid's Massage | 60€

A unique treatment designed for children. The Kid's Massage is ideal for boys and girls aged 5 to 16 years old. Regular treatments help to reduce the tension, boost the immune system and offer a sense of relaxation resulting in tranquil, restful and quality sleep.

30' Body Rejuvenation - Peeling | 60€

Designed to revitalise and rejuvenate the skin, leaving it looking and feeling soft, smooth, and radiant. A scrub made from natural ingredients such as sugar or sea salt will be used to gently remove dead skin cells from the surface of the skin. This exfoliation process helps to stimulate cell renewal, improve circulation, and enhance the skin's natural radiance.

30' Indian head massage | 70€

A therapeutic and relaxing spa treatment that has its roots in Ayurvedic healing practices. This rejuvenating massage focuses on the head, neck, and shoulders, targeting areas of tension and promoting deep relaxation. It involves gentle massage and acupressure techniques that help to release blocked energy and restore balance to the body. Warm oils are applied to the scalp, working through the hair to stimulate and nourish the scalp and hair follicles. Indian Head Massage is also known for its calming, stress-reducing properties and it can also improve sleep quality, boost the immune system, and promote overall well-being.

60' Lymphatic Massage | 120€

An excellent choice for those looking to detoxify the body, reduce inflammation, and promote overall health and wellness. Whether you are recovering from an illness or simply looking to improve your well-being, this gentle and soothing massage can provide a wide range of benefits. The lymphatic system is stimulated with rhythmic strokes and encourage the flow of lymph fluid. This helps to remove toxins from the body and improve the immune system's ability to fight off infections. Lymphatic massage is particularly beneficial for those who experience swelling, inflammation or fluid retention.

60' Full body massage | 100€

A full body relaxing massage is the ultimate indulgence and the perfect way to unwind and destress. This spa treatment is designed to soothe the body, calm the mind, and restore balance and harmony to the entire body. The therapist will work through each muscle group, using long, flowing strokes and gentle pressure to ease away any knots or areas of tension. Warm almond oils are used in this treatment, which help to nourish and moisturise the skin.

THERAPIES FOR YOUR BODY

60' Athina's Wish Massage (Signature massage) | 130€

A unique and luxurious massage experience that combines the therapeutic benefits of massage with the soothing warmth of candles. It is a gentle and relaxing form of massage that uses warm, melted wax from specially-designed candles to hydrate and nourish the skin. The candle will melt into a warm, aromatic oil that is then used to massage the body. The warm oil is applied with smooth, flowing strokes to help relieve tension and promote relaxation. Choose the scent of the candle that adds to the overall sensory experience, helping to calm the mind and uplift the spirit. The warm wax from the candle is rich in essential oils and natural emollients, which helps to hydrate and soften the skin.

60' Deep Tissue Massage | 120€

A therapeutic massage that focuses on releasing tension and knots in the deeper layers of muscles and connective tissue. It uses firm pressure and slow strokes to target specific areas of tension and pain. At our spa, our experienced massage therapist will customise the deep tissue massage to your specific needs and preferences. High-quality massage oils are used to provide a serene and comfortable environment to help you unwind and rejuvenate.

70' Hot Volcanic Stones Massage | 130€

A deeply relaxing and therapeutic massage that incorporates the use of smooth, heated stones. The heat from the volcanic stones helps to warm up the muscles and increase circulation, allowing for deeper relaxation and healing. With the gentle heat and expert touch of our therapist, you'll leave feeling rejuvenated and refreshed.

60' Relaxing Aromatherapy Massage | 110€

A gentle and relaxing massage that combines the healing power of touch with the therapeutic benefits of essential oils. A combination of oils will be customised based on your individual needs and preferences to enhance the massage experience. The oils are absorbed through the skin and inhaled, providing a range of benefits such as calming the nervous system, relieving muscle tension, and promoting a sense of balance and harmony. The massage is a gentle, flowing technique that helps to release tension and improve circulation. At our spa, we use only high-quality, pure essential oils that are free from harmful additives and chemicals.
